

**Topic: Presentations – Addressing Buyers’ Ethical, Legislative and Practical Concerns**

- Keep up to date with developments from relevant regulatory bodies on both sides of the Atlantic (ABA, Law Society and SRA)
- Ensure compliance with appropriate legislation impacting on U.S. and U.K. lawyers' ability to outsource legal work (including Export Administration Regulation, and the Data Protection Act)
- Avoid aiding and abetting the unauthorized practice of law or permitting your LPO provider to undertake “reserved activities.” Complying with the duty to supervise
- Address the scope and limitations of required confidentiality agreements and conflict checks

**Speakers:**

Mark Ross,  
Vice-President (Legal Service),  
Integreon Managed Solutions

Bruce Macmillan,  
General Counsel,  
Legal Service Boards (England and  
Wales)
